Graphic/Digital Media Designer (m/f/d) - no German required

Join our design team!

Become a part of our design team who's ambition is to challenge the current notion of drinking. The international in-house team consists of a group of minimalists who value simple products, precise layouts and have a love for typography and animation.

Almost all of the creative processes are happening in-house, from product development up to the visual representation across all media and platforms.

As a graphic/digital media designer at waterdrop®

- You are taking part in shaping the overall visual representation of the brand across all media and platforms.
- You support the team in optimizing the visual appearance of our website and bringing it to the next level.
- You will help create marketing ads on a very high standard to attract new customers and retain existing ones.
- You will support other teams with the visual implementation of ideas.

Your key qualifications:

- A love for clean and minimalistic design.
- Graduation from a reputable design school or equivalent work experience.
- A portfolio featuring your designs.

- Relevant experience with Adobe Creative Suite (InDesign, Photoshop, Illustrator & Adobe XD or similar).
- Being very reliable, precise and sharing our love for detail and typography
- High level of creativity and a responsible working attitude.

What we offer you:

- High level of autonomy while working with an international in-house design team which values clear communication.
- Attractive compensation packages and career opportunities in one of Europe's most successful e-commerce companies.
- A positive atmosphere, flat hierarchies and respectful interaction within the company.
- A modern and well-equipped office in the heart of Vienna, fresh fruits and other benefits.
